Dear Toni

Thank you very much for your generous donation. Thanks to you, Magpas can carry on providing the whole of the Eastern Region with the best critical care in the UK, day and night.

Dr Alistair Steel; Consultant Anaesthetist at Kings Lynn Hospital, Magpas Volunteer Helimedix Doctor would like to pass on his personal message of thanks. *"I joined Magpas in 2003 and was amazed to see what can be achieved by an organisation passionate about improving the care of patients with serious illnesses and injuries. Giving up my days off with a fun-loving toddler at home is made worthwhile by knowing it might be my family that need this level of care one day - I want an organisation like Magpas and its team of dedicated well-trained doctors and paramedics to be there by the roadside providing the highest quality of care possible. I'd like to thank you for your donation and it is down to you that this world-class service exists".*

Our volunteer Doctors and Paramedics who work with us are busier than ever. If you could continue to spread the word about Magpas, we would be extremely grateful.

Once again, **THANK YOU** from us all at Magpas.

Kind regards

Debbie Florence
