

# Is your payroll becoming problematic?

**Whether you lack the time and resources to fulfil your responsibilities, whether you are anxious about auto-enrolment, re-enrolment and re-declaration of compliance, if you are finding technology tricky, or if you just want to be in the loop when legislation changes, we can help.**

By outsourcing to GH Payscheme, you can rest assured that we'll help you find solutions to your payroll struggles; whatever the size of your business, whichever industry you operate in and wherever you are located.

## Could your business benefit from...

- ...electronic filing of in-year and year-end returns to HM Revenue & Customs, for compliance with RTI requirements?
- ...tailor-made reports that give you the insight you need?
- ...weekly, fortnightly, 4-weekly or monthly pay runs from information supplied to us by you?
- ...Bacs payment of wages and monthly PAYE/national insurance contribution liability?
- ...confidential, secure payslips that can be posted or emailed directly to employees?
- ...statutory sick pay, maternity pay and paternity pay calculations?
- ...support with Auto Enrolment and workplace pensions?

## Guess what?

GH Payscheme offer all these (and more) so, if you want to discuss your circumstances in more detail with one of our professionals, please contact us or come and see us with this card!
